NATIONAL INDUSTRIAL RECOVERY ACT - PUBLIC NO. 67.
73d CONGRESS.

The following certificate form shall be signed and submitted by all
bidders with all bids involving expenditures of Government funds (whether Federal
or non-Federal), in accordance with Executive Order No. 6646, dated Mary 14, 1934.

CERTIFICATE OF COMPLIANCE

It is hereby certified that the undersigned is complying with and
will continue to comply with each approved code of fair competition to which
he is subject, and/or if engaged in any trade or industry for which there is
no approved code of fair competition, then as to such trade or industry that
he has become a party to and is complying with and will continue to comply with
an agreement with the President under Section 4 (a) of the National Industrial
Recovery Act (President's Reemployment Agreement) and that all other conditions
and requirements of Executive Order No. 6646, dated March 14, 1934, are being
and will be complied with.

Provided, that where supplied are purchased that are not mined,
produced, or manufactured in the United States (see Sec. 2 title III, of the
Act approved March 3, 1933, Public No. 428, 72nd Congress, the special or general
code of fair practice shall apply to that portion of the contract executed within
the United States.

(Date) _____ (Name of Bidder) _____

(Witness) BY (Sign here) (Title) (SEAL)

ONLY BIDS CONTAINING SUCH CERTIFICATE SHALL BE CONSIDERED OR ACCEPTED.

It is understood and agreed that any contract executed on this bid shall provide and require that:

"The contractor shall comply with each approved code of fair competition to which he is subject, and if he is engaged in any trade or industry for which there is no approved code of fair competition, then as to such trade or industry with an agreement with the President under Section (4a) of the National Industrial Recovery Act (President's Reemployment Agreement), and the United States shall have the right to cancel this contract for failure to comply with this provision and make open-market purchases or have the work called for by this contract otherwise performed at the expense of the contractor or his sureties, and the contractor shall not accept or purchase for the performance of this contract or purchase order or enter into any subcontracts for any materials, articles, or supplies, in whole or in part produced or furnished by any person who shall not have certified that he is complying with and will continue to comply with each code of fair competition which relates to such articles, materials, or supplies, and/or in case there is no approved code for the whole or portion thereof then to that extent with an agreement with the President as aforesaid."

Such certificate may be accepted as evidence that the contractor is complying with the applicable code or codes of fair competition adopted under Title I of the National Recovery Act for the trade or industry or subdivision thereof involved, or, if there be no such approved code of fair competition, with the President's Reemployment Agreement.

Provided, that where supplies are purchased that are not mined, produced, or, manufactured in the United States (see Sec. 2, Title III, of the Act approved March 3, 1933, Public No. 428, 72nd Congress), the special or general code of fair practice shall apply to that portion of the contract executed within the United States.

- - - - -

Unless otherwise specified by the bidder, it is understood and agreed that only such unmanufactured articles, materials, and supplies as have been mined or produced in the United States, and only such manufactured articles, materials, and supplies as have been manufactured in the United States from articles, materials, or supplies, mined, produced, or manufactured, as the case may be, in the United States shall be delivered pursuant to a contract awarded as a result of this bid.

CONTRACT PROVISION FOR COMPLIANCE WITH A.A.A.

"The contractor shall comply with the provisions of any and all marketing agreements, licenses, and amendments to either, in effect on the date of the award of this contract or thereafter executed or issued by the Secretary of Agriculture under the Agricultural Adjustment Act of supplementary legislation applicable to any of the commodities to be furnished under this contract and to the contractor under the terms of such marketing agreements, licenses and amendments, regardless of whether the contractor is a party to any of such agreements or amendments thereto. The contractor shall not accept from a subcontractor or supplier in the performance of this contract any of the commodities to be furnished under this contract, if the subcontractor or supplier has not filed with the contractor a certificate of compliance in form as required by the contracting officer, or if the Secretary of Agriculture has determined that such subcontractor or supplier is failing in the compliance to which he has certified and the contractor has been so notified in writing through the contracting officer. If the contractor violates or fails to comply with any of the foregoing requirements, the Government may, by written notice to the contractor, terminate the contractor's right to proceed with the deliveries under this contract and purchase in the open market or otherwise procure the undelivered portion of the commodity or commodities to be furnished, and the contractor and his surety shall be liable to the Government for any excess cost occasioned the Government thereby: Provided, that the determination of the Secretary of

Agriculture as to the failure of compliance by the contractor or subcontractor shall be final and conclusive upon the parties hereto: Provided further, that if the cost to the contractor of the commodity or commodities to be procured hereunder shall be increased or decreased by any marketing agreement, license, or amendment to either, not in effect at the time the contract was made, then the purchase price to the Government of the commodity or commodities affected by such amendments or new agreement or license shall be increased or decreased accordingly: Provided further, that the contractor shall, before final payment, furnish to the contracting officer satisfactory evidence of any such increase."

It is expected that the aggregate awards on this invitation to bid will total approximately 5,000,000 pounds of dry skim milk. Bids will be on the following:

ITEM

DRY SKIM MILK

(Dry Milk Solids - One Percent Fat)

SPECIFICATIONS:

Type: Milk, dry, skimmed, spray process

Grade: Shall be Class A, "Extra" Grade for human consumption.

Detailed Requirements:

Class A Dry Skim Milk of "Extra" grade for human consumption shall meet fully the following specifications: It shall be made by the removal of water from freshly skimmed milk (not buttermilk) which has not had any alkali or other chemical added to it, and shall contain not more than 4 percent of moisture. It shall contain not more than 1 1/2 percent of milk fat, have an acidity not exceeding 0.15 percent, a solubility index of not more than 1.25 c.c. (insoluble matter) in 20 grams of spray process powder, a bacterial count of not more than 15,000 per c.c., and it shall not show sediment of more than disk 3 as established by the American Dry Milk Institute. The flavor shall be sweet and clean and it shall be free from rancidity, tallowy, cheesy, soapy, or other objectionable flavors or odors. It shall be free from lumps and shall have a white or light cream color. It shall not have been manufactured more than 90 days prior to grading.

INSPECTION AND GRADING:

All invoices covering the delivery of dry skim milk under this schedule must be accompanied by an inspector's grading certificate of the Bureau of Agricultural Economics Department of Agriculture, with respect to weight, grade, and quality of the product and its compliance with the specifications. It must be barreled and sampled at plant where manufactured.

PACKING AND MARKING:

Packing: The dry skim milk shall be packed in wooden barrels, or metal drums, the net weight approximating, but not less than 200 pounds or 150 pounds.

The wooden barrels shall be of substantial, durable wooden staves and wooden head construction with metal hoops, lined with moisture resistant paper adaptable and suitable for the purpose.

The metal drums shall be of a standard commercial type, adaptable

Marking: The wooden barrels, or metal drums, shall bear a printed label on one side and both ends, showing contract number, as designated by the Corporation, the plant number of manufacturer, if produced at more than one plant, and shall show the following information:

"NOT TO BE SOLD
Distributed by the Federal
Emergency Relief Administration

NOT TO BE SOLD

Unauthorized diversion of this property of the United States is punishable by a fine of \$5,000 to \$10,000, or imprisonment from five to ten years or both (Criminal Code Secs. 35 & 47).
